WHAT TO DO IF YOU THINK YOUR PRODUCT IS ELIGIBLE FOR WARRANTY SERVICE

Report your issue to Brother or the authorized reseller you purchased the Machine from within the applicable warranty period. Supply Brother or the reseller with a copy of your dated bill of sale showing that this Product was purchased from an authorized reseller within the United States.

WHAT BROTHER OR AUTHORIZED RESELLER WILL ASK YOU TO DO

After contacting Brother or the authorized reseller, you will be asked to troubleshoot the problem. If the troubleshooting does not succeed, you may be required to do the following:

(a) Send a component part of the Product properly packaged, freight prepaid, to your authorized reseller for inspection, together with a photocopy of your bill of sale. **You are responsible for the cost of shipping, expedited shipping, packing product, and insurance (if you desire). You are also responsible for loss or damage to this Product and its component parts in shipping.** Shipments must be made using a (ground) carrier that assigns tracking numbers to its shipments.

(b) Permit a Brother representative to provide On-Site Warranty Service by providing access to this Product at reasonable times and by providing adequate working space, including heat, light, ventilation, electric current and outlets for use by the Brother representative, together with reasonable cooperation in troubleshooting to diagnose the problem. "On-Site Warranty Service" means remedial service during Normal Working Hours at your location to restore the Product to good operating condition under normal usage at no charge for parts and labor and does not guarantee uninterrupted operation of the Product. "Normal Working Hours" shall mean 9:00 A.M. to 7:30 O.M. Eastern Standard Time, Monday through Friday, excluding legal and local holidays observed by Brother.

WHAT BROTHER OR THE AUTHORIZED RESELLER WILL DO

If the problem reported concerning your Machine is covered by the warranty and if you first reported the problem to Brother or an authorized reseller within the applicable warranty period, Brother or the reseller will, at its option, either repair the component(s) or replace the component(s) with a functionally equivalent component(s), including a refurbished part(s) (or arrange for either). Brother or the authorized reseller reserves the right to supply a refurbished or remanufactured replacement Machine and/or part and use refurbished parts provided such replacement products conform to the manufacturer's specifications for new product/parts. In the case of a component part, if you receive the replacement component part prior to your returning the defective component part, you will replace the defective component part(s) with the replacement component part(s) supplied by Brother and return any claimed defective component part(s)

within thirty (30) days of receipt of the replacement component part(s) or pay Brother the list price for each such defective component part(s) not returned within 30

days after receipt of the replacement component part(s). In the case of a replacement Machine, if you receive the replacement Machine prior to your returning the defective Machine to Brother, you will return the claimed defective Machine to Brother within 30 days after receipt of the replacement Machine. Brother will require that you provide a valid major credit card number. Brother may issue a hold against the credit card account number that you provide until Brother receives your original Machine or component part(s) and determines that your original Machine or component part(s) is entitled to warranty coverage. Your credit card will be charged up to the cost of a new Machine or component part(s) only if: (i) you do not return your original Machine or component part(s) to Brother within thirty (30) days; (ii) the problems with your original Machine component part(s) are not covered by the limited warranty; (iii) the proper packaging instructions are not followed and has caused damage to this Product; or (iv) the warranty period on your original Product has expired or has not been sufficiently validated with a copy of the proof of purchase (bill of sale).

If after you replace the defective or failed component(s), the reported problem has not been solved, Brother may determine, at its sole discretion, that On-Site Warranty Service is required or that you should send the component(s) to Brother for further inspection. If Brother determines that On-Site Warranty Service is required, you shall cooperate with Brother as described in the "What Brother Or Authorized Reseller Will Ask You to Do" section above. Please note that you will be solely responsible for all zone, hotel and travel expenses associated with Brother's On-Site Warranty Service after the expiration of the limited warranty period described above.

If the Machine is not covered by this warranty, you will be charged any shipping or travel costs incurred by Brother and charged for any service and/or replacement component parts at Brother's then current published rates.

The foregoing are your sole (i.e., only) and exclusive remedies under this warranty.
